This 2-bedroom, 1-bath home in the Playa Del Rio community with voluntary HOA offers comfortable living just one block from the Colorado River and the community boat launch. The home features approximately 1,014 sq ft of living space and was remodeled about two years ago, including updated flooring, paint, lighting, cabinets, and countertops. The layout provides a functional living area with a semi-open kitchen and dining space. Outside, the property includes a covered front porch, fenced yard, and a large paved driveway with room for boats, jet skis, or off-road toys. A detached storage shed offers additional storage space. Located close to river access, boating, and outdoor recreation, this home is a great option for a full-time residence, vacation getaway, or investment opportunity.
